## MINOR IN ENVIRONMENTAL STUDIES

Units required for Minor: 22

## **Program Description**

The Environmental Studies program can help students use the resources of the entire University to gain an interdisciplinary understanding of such increasingly serious issues as pollution, wildlife and wilderness preservation, land use, biodiversity loss, resource depletion, energy conservation, and a generally healthful relationship between nature and society.

## **Minimum Grade Requirement**

A minimum grade of "C-" is required in all courses required for the Environmental Studies minor.

## **Program Requirements**

| - 9                           | - 1  |       |
|-------------------------------|--|-------|
| Code                          | Title  | Units |
| ENVS 10                       | Introduction to Environmental Science        | 3     |
| ENVS 111                      | Environmental Ethics                         | 3     |
| ENVS 187                      | Environmental Studies Seminar                | 1     |
| Select one of the following:  |  | 3     |
| ENVS 122                      | Environmental Impact Analysis: CEQA and NEPA |       |
| ENVS/POLS<br>128              | Environment and the Law                      |       |
| ENVS/POLS<br>171              | Environmental Politics and Policy            |       |
| Select four of the following: |  | 12    |
| ENVS 110                      | Contemporary Environmental Issues            |       |
| ENVS 130                      | Environmental Toxicology                     |       |
| ENVS 135                      | California Water and Society                 |       |
