campus are in accordance with University regulations as well as Title 5

campus may make exceptions to these criteria.

• Specifically, a student shall at the time of enrollment:

1. Have completed a four-year college course of study

2. Hold an acceptable master's degree earned at an institution accredited by a regional accrediting

3. Have attained a cumulative grade point average of at least 3.0 in upper division and graduate study combined.

4. Have completed the Graduate Record Examination (GRE) with scores from the three subsections of the General Examination;

Doctor of Physical Therapy

The Doctor of Physical Therapy (DPT) is a three-year program dedicated
to graduating professional, evidence-informed physical therapists
who have the knowledge and skills to provide patient care in any practice environment. The program's curriculum is designed to provide a foundation in the science and art of physical therapy, one that engages
students in clinical reasoning through problem-solving within the context of patient cases, both actual and simulated. In addition, students complete 36 weeks of full-time internships at three locations to learn by doing in their respective practice settings. The program is fully accredited
by the Commission on Accreditation in Physical Therapy Education (CAPTE) and graduates are eligible to take the national licensure examination.

Ph.D. Public History

The joint doctoral program in Public History offered in cooperation with UC Santa Barbara provides training in public history, particularly in the following professional fields: history of public policy, cultural resource management, business and institutional history, and community and local history. Supporting courses are offered in oral history, archives and records administration, museum management, historical editing, and policy and litigation support.

Admission Requirements

The minimum requirements for admission to Master’s and Doctoral graduate degree programs and post-baccalaureate studies at a CSU campus are in accordance with University regulations as well as Title 5 chapter 1, subchapter 3 of the California Code of Regulations.

Master's and Post-Baccalaureate Program Admissions

Master’s and post-baccalaureate applicants may apply for a degree objective, a credential or certificate objective, or where approved, may have no program objective. Depending on the objective, the CSU will consider an application for admission as follows:

• General Requirements — The minimum requirements for admission to master’s and post-baccalaureate studies at a California State University campus are in accordance with university regulations

as well as Title 5, Chapter 1, Subchapter 3 of the California Code of Regulations.

1. Have completed a four-year college course of study and hold an acceptable baccalaureate degree from an institution accredited by a regional accrediting association, or shall have completed equivalent academic preparation as determined by appropriate campus authorities;

2. Be in good academic standing at the last college or university attended;

3. Have earned a grade point average of at least 2.5 on the last degree completed by the candidate or have attained a grade point average of at least 2.5 (A=4.0) in the last 60 semester (90 quarter) units attempted; and

4. Satisfactorily meet the professional, personal, scholastic, and other standards for graduate study, including qualifying examinations, as appropriate campus authorities may prescribe. In unusual circumstances, a campus may make exceptions to these criteria.

Doctoral Program Admissions

Doctor of Audiology applicants may apply for admission, in accordance with University regulations as well as Title 5, Chapter 1 Subchapter 3 of the California Code of Regulations. Specifically, a student shall at the time of enrollment:

1. The applicant holds an acceptable baccalaureate degree earned at an institution accredited by a regional accrediting association or the applicant has completed equivalent academic preparation as determined by the appropriate campus authority.

2. The applicant has an overall cumulative grade point average of at least 3.00 in upper-division baccalaureate study, post-baccalaureate study and master’s study combined.

3. The student has completed all campus-required prerequisite coursework.

4. The applicant must have been in good academic standing at the last institution.

5. The applicant has met any additional requirements established by the chancellor in consultation with the faculty and any additional requirements prescribed by the appropriate campus authority.

Doctor of Education applicants may apply for admission, in accordance with University regulations as well as Title 5, Chapter 1 Subchapter 3 of the California Code of Regulations. Specifically, a student shall at the time of enrollment:

1. Have completed a four-year college course of study and hold an acceptable baccalaureate degree from an institution accredited by a regional accrediting association, or shall have completed equivalent academic preparation as determined by appropriate campus authorities;

2. Hold an acceptable master’s degree earned at an institution accredited by a regional accrediting association, or have completed equivalent academic preparation as determined by the appropriate campus authority;

3. Have attained a cumulative grade point average of at least 3.0 in upper division and graduate study combined;

4. Have completed the Graduate Record Examination (GRE) with scores from the three subsections of the General Examination;
5. Be in good standing at the last institution of higher education attended;
6. Demonstrated sufficient preparation and experience pertinent to educational leadership to benefit from the program; and
7. Meet any additional requirements established by the Chancellor in consultation with the faculty and any additional requirements prescribed by the appropriate campus authority.

Doctor of Physical Therapy applicants may apply for admission, in accordance with University regulations as well as Title 5, Chapter 1 Subchapter 3 of the California Code of Regulations. At the time of enrollment:

1. The applicant holds an acceptable baccalaureate degree earned at an institution accredited by a regional accrediting association, or the applicant has completed equivalent academic preparation as determined by the appropriate campus authority;
2. The applicant has completed all required prerequisite coursework for the campus program(s) to which the applicant has applied with a cumulative grade point average of at least 3.0;
3. The applicant must have been in good academic, professional and clinical standing at the last institution and if applicable, in the last entry level physical therapist educational program attended;
4. The applicant has met any additional requirements established by the chancellor in consultation with the faculty and any additional requirements prescribed by the appropriate campus authority. Only those students who continue to demonstrate a satisfactory level or scholastic, professional, and clinical competence shall be eligible to continue in Doctor of Physical Therapy programs.

In unusual circumstances, a campus may make exceptions to these criteria.

THESE AND OTHER CSU ADMISSION REQUIREMENTS ARE SUBJECT TO CHANGE AS POLICIES ARE REVISED AND LAWS ARE AMENDED. THE CSU WEBSITE (http://www.calstate.edu/) AND THE ADMISSION PORTAL (http://www.calstate.edu/apply/) ARE GOOD SOURCES FOR THE MOST UP-TO-DATE INFORMATION.

Graduate Programs Application Procedures

All graduate and post-baccalaureate applicants (e.g., DPT, Ed.D., Ed.S., joint Ph.D. applicants, master's degree applicants, those seeking educational credentials or certificates, and where permitted, holders of baccalaureate degrees interested in taking courses for personal or professional growth) must file a complete graduate application as described in the graduate and post-baccalaureate admission materials at Cal State Apply (http://www.calstate.edu/apply/). Applicants seeking a second bachelor's degree must submit the undergraduate application for admission. Applicants who completed undergraduate degree requirements in the preceding term are also required to complete and submit an application and the $70 nonrefundable application fee. To be assured of initial consideration by more than one CSU, it is necessary to submit separate applications (including fees) to each. All CSU applications must be submitted online at Cal State Apply (http://calstate.edu/apply/). An acknowledgement will be sent to the applicant when the online application has been submitted.

The application and fee are not required for students desiring to enroll only in Summer Session, Winter Intersession, or Open University through the College of Continuing Education.

Summer Semester
(Most CSUs do not admit students to summer term)

Filing Period Duration

Each non-impacted university accepts applications until capacities are reached. Many universities limit undergraduate admission in an enrollment category due to overall enrollment limits. If applying after the initial filing period, consult the university admission office for current information.

On-time applicants may expect to receive an acknowledgment from the campuses to which they have applied within two to four weeks of filing the application. The notice may also include a request that applicants submit additional records necessary to evaluate academic qualifications. Applicants may be assured of admission if the evaluation of relevant qualifications indicates that applicants meet CSU admission requirements, and in the case of admission impaction, supplemental criteria for admission to an impacted program. Unless specific written approval/confirmation is received, an offer of admission is not transferable to another term or to another campus.

Categories of Admission and Classification

Students wishing to pursue a doctoral or master's degree must be admitted to the specific program under which the student intends to study. At the time of application for admission to the University, the student indicates his or her proposed major and is evaluated against the admission requirements for that program. Students who meet the minimum requirements for graduate and post-baccalaureate studies may be considered for admission in one of the following four categories:

- **Graduate Classified** – To pursue a graduate degree, applicants are required to fulfill all of the professional, personal, scholastic, and other standards, including qualifying examinations, prescribed by the campus.
- **Graduate Conditionally Classified** – Persons wishing to enroll in a credential or certificate program will be required to satisfy additional professional, personal, scholastic, and other standards, including qualifying examinations, prescribed by the campus.
- **Post-Baccalaureate Classified, e.g., admission to an education credential program** – Persons wishing to enroll in a credential or certificate program will be required to satisfy additional professional, personal, scholastic, and other standards, including qualifying examinations, prescribed by the campus.
• **Post-Baccalaureate Unclassified** – To enroll in undergraduate courses as preparation for advanced degree programs or to enroll in graduate courses for professional or personal growth, applicants must be admitted as post-baccalaureate unclassified students. By meeting the general requirements, applicants are eligible for admission as post-baccalaureate unclassified students. Admission in this status does not constitute admission to, or assurance of consideration for admission to, any graduate degree or credential program. (Most CSU campuses do not offer admission to unclassified post-baccalaureate students).

Admission of students not wishing to pursue a doctoral or master's degree is limited. Students admitted as an unclassified graduate student may not use more than six units earned in unclassified status to apply toward a subsequent doctoral or master's program. Therefore, unclassified students shall seek classification during their first semester's enrollment if they wish to pursue a graduate degree. Unclassified students are allowed no more than two terms of enrollment.

**Returning Post-baccalaureate, Master, Doctoral Students**

Former Sacramento State students who have been absent for two or more semesters do not maintain catalog rights, must apply for readmission and a non-refundable application fee is charged. Following a mandatory interruption of one or more semesters, students who have left in a negative academic standing may not be eligible to return until they complete additional coursework. Students who have been academically disqualified or dismissed must in conjunction to applying for readmission also file an appeal for reinstatement. At the time of readmission, student may be required to satisfy new university and/or program requirements.

**Second Bachelor's Degree**

Applicants seeking a second bachelor's degree should submit the undergraduate application for admission unless specifically requested to do otherwise. Admission is limited to a few select programs for students who have earned a bachelor's degree from a regionally accredited institution with a GPA of 2.5 or higher in the last 60 semester units of baccalaureate or graduate level courses at Sacramento State. Students admitted in post-baccalaureate standing (unclassified) must meet residence and other specified requirements.¹

Applicants to an impacted program will be considered in the upper division quota category for admission purposes. Coursework completed in this status forms part of the post-baccalaureate grade point average and will affect the student's eligibility for classified standing.

Candidates must file for graduation TWO SEMESTERS prior to the date of graduation. Forms are available from the Office of the University Registrar. A second bachelor's cannot be awarded in the same major or closely related field as the first degree. Only students admitted into the second baccalaureate classification may petition to graduate with a second baccalaureate degree.

¹ Refer to Baccalaureate Degree Requirements (http://catalog.csus.edu/baccalaureate-degree-requirements/) Second Bachelor's Degree.

---

**International Applicants Requiring an International Student Visa**

Graduation from a college or university recognized by the Ministry of Education, or appropriate governing agency, with a degree requiring at least 16 years of prior education is required for graduate standing. Typically, this is 12 years of primary and secondary education and 4 years of post-secondary education.

For more information please go to Office of Graduate Studies Applicants with Foreign Documents. (http://www.csus.edu/gradstudies/futurestudents/applicantswithforeigndocuments/)

**Graduate-Post-Baccalaureate English Language Requirement**

All graduate and post-baccalaureate applicants, regardless of citizenship, whose native language is not English and whose preparatory education was principally in a language other than English must demonstrate competence in English. Those who do not possess a bachelor's degree from a postsecondary institution where English is the principal language of instruction must receive a minimum score of 550 on the Test of English as a Foreign Language (TOEFL). Some programs require a higher score. Several CSU campuses may use alternative methods for assessing fluency in English including Pearson Test of English Academic (PTE Academic), the International English Language Testing System (IELTS) and the International Test of English Proficiency (ITEP).

Refer to Sacramento State/International Students/TOEFL Requirement (http://www.csus.edu/gradstudies/futurestudents/applicantswithforeigndocuments/languagetesting.html).

**Advising**

Classified graduate students should confer with their academic departments for requirements, course selection, and appointment of advisors.

Post-baccalaureate students seeking a teaching credential should contact the College of Education Student Service Center, Eureka Hall, Room 216, (916) 278-6403.
