GRAPHIC DESIGN (GPHD)

GPHD 5. Introduction to Graphic Design. 3 Units

General Education Area/Graduation Requirement: Arts (Area C1)

Introduction to the field of Graphic Design. Subjects include career possibilities, current trends, issues and practices in the industry. The basic theory, techniques and practices involved in solving a visual communication problem will also be introduced.

GPHD 10. Introduction to Digital Design. 3 Units

Designed to familiarize students with basic understanding of the digital hardware, software, and vocabulary utilized by visual artists from a variety of disciplines. Discussions and activities will cover both creative and efficient application of digital tools and techniques. Students will complete assignments utilizing a variety of applications which may include page layout, illustration, digital image processing, and 3-D rendering software.

GPHD 20. History Of Graphic Design. 3 Units

General Education Area/Graduation Requirement: Arts (Area C1)

Overview of the history of graphic design. Emphasis on symbol, type, and image development, from early pictographs to modern communication design.

GPHD 25. Visual Basics. 3 Units

Prerequisite(s): ART 20A or Pre - Interior Design Major.

Provides a basic understanding of how visual structures are created and interpreted. Students study the main components of visual structures, become familiar with basic laws of color, and learn the basics of the gestalt principles of visual organization.

GPHD 30. Visualization. 3 Units

Prerequisite(s): GPHD 25, ART 20A.

Introduction to the tools, materials, methodologies and hands-on processes of graphic design. The skill of rapid prototyping, through the processes of idea development, thumb nailing, sketching, and mockup, will be introduced. A special emphasis will be placed on craftsmanship in this course.

GPHD 120. Typography I - Theory. 3 Units

Prerequisite(s): Either GPHD 5 or GPHD 20, ART 20A, PHOT 40, GPHD 10, GPHD 25, GPHD 30, and acceptance into the major.

Corequisite(s): GPHD 122, GPHD 125.

Explores the history and perceptual development of type and its application to design principles. Language and technology will be reviewed. Problems will demonstrate theoretical concepts and their application.

GPHD 122. Design Production and Management. 3 Units

Prerequisite(s): GPHD 5 or GPHD 20, and ART 20A, PHOT 40, GPHD 10, GPHD 20, GPHD 25, GPHD 30, and be a declared GPHD major.

Corequisite(s): GPHD 120, GPHD 125.

Introduction to project management techniques specific to the creative business and technical processes for graphic design. Orchestration of image editing, vector and compositing software will be covered with an emphasis in accuracy and efficiency. Various codes and regulations related to graphic design will be reviewed.

GPHD 125. Visual Principles I. 3 Units

Prerequisite(s): Either GPHD 5 or GPHD 20, in addition to ART 20A, PHOT 40, GPHD 10, GPHD 20, GPHD 25, GPHD 30, and acceptance into the major.

Corequisite(s): GPHD 120, GPHD 122.

Introduction to the language and perception of design. Elements of art and their relationship to the applied art of type, visual organization, and message. Design for advertising, marketing, and business. Ideation, creative thinking methods, thumbnails, storyboarding and presentation techniques. Computer integration with a variety of applications and techniques.

GPHD 130. Typography II - Publication and Collateral Design. 3 Units

Prerequisite(s): GPHD 120, GPHD 122, GPHD 125.

Corequisite(s): GPHD 135.

Advanced typography and its relationship with message. Application of typographic principles to a diverse series of graphic design problems utilizing type and image. Computer integration with a variety of applications and techniques.

GPHD 135. User Interface Design. 3 Units

Prerequisite(s): GPHD 120, GPHD 122, GPHD 125.

Corequisite(s): GPHD 130.

Emphasis is on design of a user-centered experience in an interactive environment. Enables the students to understand the characteristics of relevant technology and select appropriate forms and functions to create specific experience for users.

GPHD 140. Time-Based Graphic Design. 3 Units

Prerequisite(s): GPHD 130, GPHD 135.

Corequisite(s): GPHD 142, GPHD 145.

Emphasis on the development of conceptual themes, formal exploration, and user-centered interaction in time-based multimedia design. Enables the students to create vital experiences using text, sound, image, motion, and interactivity.

GPHD 142. Advanced Graphic Design I. 3 Units

Prerequisite(s): GPHD 130, GPHD 135.

Corequisite(s): GPHD 140, GPHD 145.

Builds on established research, process and project management techniques and provides students with the opportunity to focus on a practical investigation in design. Theoretical, professional, and historical issues facing the design profession will be reviewed. Development of both visual and written research material will culminate in an oral presentation and then be applied to an appropriate project.

GPHD 145. Visual Image. 3 Units

Prerequisite(s): GPHD 130, GPHD 135.

Corequisite(s): GPHD 140, GPHD 142.

Advanced exploration of visual study. Students will learn to orchestrate a diverse yet unified visual campaign for a particular client. Image making will be stressed in this course as students experiment with techniques and media including but not limited to photography and illustration.

GPHD 150. Graphic Design Digital Portfolio. 3 Units

Prerequisite(s): GPHD 140, GPHD 142, GPHD 145.

Corequisite(s): GPHD 152, GPHD 155.

Introduction to the concepts and tools used in a digital portfolio production for entry into the practice of design or the advanced study. Exploration and development of the graphic design portfolio and resume in digital and print form. Discussions will cover such topics as networking, interview tips, employment issues, and presentation skills.
GPHD 152. Advanced Graphic Design II. 3 Units
Prerequisite(s): GPHD 140, GPHD 142, GPHD 145.
Corequisite(s): GPHD 150, GPHD 155.
Advanced course in graphic design that requires students to provide solutions to real world design problems. Helps refine the students individual design process and advance their understanding of professional practice. Professional, business, and ethical issues facing the design profession will be reviewed. Development of both visual and written material will be required in a group environment as well as oral and visual presentations of this material.

GPHD 155. Corporate Identity and System Design. 3 Units
Prerequisite(s): GPHD 140, GPHD 142, GPHD 145.
Corequisite(s): GPHD 150 GPHD 152.
Applied design and typography. Combines the study of symbol, function, and implementation. Investigates design problems from their origin, defining the problem through exploration of various creative solutions, to final design of a symbol applied to various corporate and business collateral.

GPHD 195. Fieldwork in Graphic Design. 3 Units
Prerequisite(s): Upper division status; GPA of 2.5 or above; GPHD 130, GPHD 135; instructor permission.
Directed observation and supervised work experience in an approved business, government, or service agency. Internships are offered to increase student understanding of the nature and scope of agency operations and giving students orientation in occupational specialties. Supervision is provided by authorized persons in the cooperating agencies and collaborative supervision is provided by the Graphic Design faculty. Minimum of three hours per week per unit of credit is required. Each student maintains a record of activities and assignments and prepares periodic reports.
Note: Students must make arrangements with a faculty member for a work program prior to admittance. No more than 6 units of GPHD 195 may be counted toward the major.

Credit/No Credit

GPHD 199. Special Problems. 1 - 3 Units
Individual projects or directed projects open to students who wish to attempt independent work.
Note: Faculty approval is required. No more than 6 units of GPHD 199 may be counted toward a Graphic Design degree.

Credit/No Credit
