

BA IN ART (ART EDUCATION)

Units required for the Subject Matter Program: 48

Program Description

Courses in Art Education provide students with the knowledge and tools necessary to thrive as teachers in both K-12 and community settings. The Art Education program includes instruction in artistic perception; creative expression; historical and cultural foundations in art; aesthetic valuing; connections, relationships, and applications in art; visual art and education theories; and visual culture art education.

Art majors wishing to pursue a Single Subject Teaching Credential in Art in the College of Education must contact the Art Department's Credential Coordinator to have their transcripts evaluated for courses required for admission to the credential program and to have their single subject competency assessed.

Teaching credential candidates must also complete the Professional Education Program in the College of Education and meet the California art subject matter standards. Students interested in teaching art in public schools in California should get information from the Teaching Credentials Office in Eureka Hall 401 or the College of Education's Web site at www.csus.edu/coe/academics/credentials/ (<http://www.csus.edu/coe/academics/credentials/>).

Minimum Grade Requirement

Courses applied toward the Subject Matter program must be completed with a grade of "C" or higher.

Program Requirements

Code	Title	Units
Historical and Cultural Contexts (12 Units)
