

# BFA IN STUDIO ART

Units required for Major: 75

Total units required for BFA: 120

## Program Description

The Bachelor of Fine Arts in Art Studio is a four-year program that prepares students for successful careers as artists. It is the professional degree for an artist and provides the foundation for the master's program in studio art. While the B.F.A. program provides students with a broad overview of the fine art areas of ceramics, drawing, painting, printmaking, sculpture, interdisciplinary and new media art, it is designed to develop in-depth skills in one of these areas of the visual arts. The studio curriculum in the program emphasizes technical mastery, individuality, creative experimentation and prepares students for a variety of post-graduate pursuits. The curriculum also provides a thorough grounding in visual art thinking, contemporary art history and critical theory. The degree is designed for undergraduate students who want to combine intensive and innovative studio art practice with an outstanding education in the liberal arts.

## Minimum Grade Requirements

A minimum grade of "C" is required in all lower division courses and upper division non-studio courses applied to the Studio Art program.

A minimum grade of "B" is required in all upper division studio courses.

## Additional Requirements

Participation in an exhibition of BFA candidates is required for completion of the degree.

**Note:** Whenever possible, classes should be selected in consultation with a faculty advisor. It is recommended that students complete all of the lower division requirements before enrolling in upper division courses. Prerequisites for some courses may be waived on the advisement of an Art instructor and a portfolio review. ART 192A Senior Seminar in Studio Art (3 units) is a required course, taken in the final semester of the Senior year and concurrently with ART 194, BFA Senior Project.
