Units required for Major: 72
Total units required for BA: 120

Program Description
The History BA with Social Science Subject Matter Competency is for history majors interested in a career as a middle- or high-school teacher. The program addresses the needs of future teachers for essential content knowledge and academic skills preparation in the subjects covered by the Single Subject Credential in Social Science: U.S. and World History, Economics, Geography, and Political Science.

Preparation for Credential Program
The History BA with Social Science Subject Matter Competency is a California state approve subject matter program. Students who successfully complete the program satisfy the requirement of the Commission on Teacher Credentialing for demonstrated competence in Social Science. Graduates of the program are exempt from the CSET exams in Social Science.

Sacramento State's Master of Arts in Teaching (Single Subject) (http://catalog.csus.edu/colleges/education/teaching-credentials/master-of-arts-in-teaching-single-subject/) requires a minimum of 45 hours (100 preferred) of experience working with middle- to high-school aged youth during the two year prior to apply to the credential program.
