BUSINESS HONORS PROGRAM

Units required for the Major: 54 units
Minimum total units required for the BS: 120

Program Description

The Business Honors program:

- Presents a holistic and integrated view of business that reflects not only current business practice but also the best of practice.
- Challenges students in critical thinking while building their decision making and problem solving skills.
- Immerses students in a learning experience in which they learn not only from their professors, but also from their peers.
- Develops students as future business leaders and pioneers.
- Provides students with many opportunities to meet and interact with professionals to learn real-life lessons.
- Provides an exceptional value to their business education through advanced knowledge and skill sets.

The Business Honors program is a full-time program. Business Honors students will be immersed in a cohort-based learning experience where they will work with and learn from others in their cohort group as well as high-qualified faculty.
