

# MINOR IN CHEMISTRY

---

Units required for Minor: 24

## Program Description

Chemistry is the area of science in which the composition, structure, properties, and reactions of substances are studied.

## Minimum Grade Requirement

A minimum grade of "C-" is required in all courses applied to the Chemistry minor.

## Program Requirements

In consultation with an advisor, choose 24 units of chemistry coursework, 6 units must be upper division courses in chemistry.

**Note:** A course in quantitative analytical chemistry and a lower division organic laboratory course must be completed as part of the minor.
