

CERTIFICATE IN PRE-PLANNING

Units required for Certificate: 15-16

Program Description

The Pre-Planning program consists of 15-16 units in addition to the major and culminates in a certificate. Select *either* the Metropolitan or Resource Planning Concentration below. No more than two courses may be taken in any one department.

Students must have an advisor and will not be allowed to proceed in the program without an advisor's signature. In some cases courses may be accepted that have already been completed. There can be no double counting from among courses used in the major.
