MA IN POLITICAL SCIENCE  
(CALIFORNIA AND ITS  
POLITICAL ENVIRONMENT)

Total units required for MA: 30

Program Description
The Master of Arts program in Political Science is designed to orient  
the student toward critical investigation of problems in government  
and politics, and to improve the student's ability for independent study.  
This program is of special value to teachers of government in the public  
schools, to persons who contemplate public service or politics as a  
career, and to persons planning additional graduate study leading to the  
doctorate. The Political Science Department Graduate Coordinator acts  
as advisor to graduate students and should be consulted early in each  
student's program of graduate study.

Note: Because most graduate students work during the day, graduate  
courses are offered in the evening hours.

Admission Requirements
Admission as a classified graduate student in Political Science requires:

- a baccalaureate degree;
- a minimum 3.0 GPA in the last 60 units attempted and 3.0 GPA in the  
  major;
- a satisfactory score on the aptitude portion of the Graduate Record  
  Examination (the Department expects the student to achieve at least  
  the 50th percentile in the combined verbal/analytic score);
- three letters of recommendation from individuals who can evaluate  
  the applicant's potential for successful graduate study;
- a written statement explaining the applicant's purposes and goals in  
  pursuing a master's degree in Political Science; and
- an example of written work which the applicant considers evidence of  
  his/her best scholarship regardless of the grade received.

Applicants who have deficiencies in Admission Requirements that  
can be removed by specified additional preparation may be admitted  
to the degree program with conditionally classified graduate status.  
Students with an undergraduate major in any subject may be accepted;  
no minimum number of units in Government/Political Science is required.  
However, if a student's preparation in the field of government or political  
science is not adequate preparation for graduate study, he/she may  
be asked to complete some additional coursework before becoming  
classified. Any deficiencies will be noted on a written response to the  
student's admission application. No upper division prerequisite courses  
required as a condition of classification can be counted towards the  
degree requirement.

Admission Procedures
Applications are accepted as long as room for new students exists. All  
prospective graduate students, including Sacramento State graduates,  
must file the following with the Office of Graduate Studies, River Front  
Center 215, (916) 278-6740:

- an online application for admission;
- two sets of official transcripts from all colleges and universities  
  attended, other than Sacramento State; and
- Graduate Record Examination scores, aptitude portion only.

For more admissions information and application deadlines please visit  
http://www.csus.edu/gradstudies/.

At the same time, each applicant should forward to the Graduate  
Coordinator in Political Science the following:

- the three letters of recommendation;
- the applicant's written statement of purposes and goals; and
- the example of the applicant’s best written work.

Approximately six weeks after receipt of all items listed above, a decision  
regarding admission will be mailed to the applicant.
