INTERIOR DESIGN (INTD)

INTD 15.  Introduction to Interior Design.  3 Units
General Education Area/Graduation Requirement: Arts (Area C1)
Term Typically Offered: Fall, Spring

Introduction to the field of interior design. Consideration of human factors, aesthetics, design process, furnishings, surface treatments, and current issues. Lecture, discussions, field trips, two hours. Field trip(s) may be required.

INTD 20.  Design.  3 Units
General Education Area/Graduation Requirement: Arts (Area C1)
Term Typically Offered: Spring only

Examination of the visual arts as expressed in architecture and interiors, community planning, painting and sculpture, furniture, ceramics, graphics, photography, clothing, and industrial design. Lecture, discussion.

INTD 25.  Design Fundamentals.  3 Units
Term Typically Offered: Fall, Spring

INTD 27.  Introduction to Interior Architecture Studio.  3 Units
Prerequisite(s): INTD 25, INTD 30 Fee course.
Term Typically Offered: Fall

Exploration of design and space planning fundamentals and their use in creating architectural interiors. Students will communicate designs through two- and three dimensional drawings and models. Fee course.

INTD 30.  Introduction to Computer Aided Design.  3 Units
Prerequisite(s): INTD 25 or concurrent registration in INTD 25 is permissible if student has completed either GPHD 25 or PHOT 11.
Term Typically Offered: Fall, Spring

Introduction to the principles and techniques of architectural drafting. Through a series of exercises, students will learn digital drafting techniques commonly used to generate floor plans, sections, elevations, and axonometrics. Through a series of design problems, students will be introduced to basic space planning concepts and vocabulary. Emphasis will be on CAD drawing skills and conventions, CAD vocabulary, and CAD document management procedures.

INTD 96.  Introduction to Interior Architecture Studio and CAD.  5 Units
Prerequisite(s): INTD 25
Term Typically Offered: Fall, Spring

Exploration of design and space planning fundamentals and their use in creating architectural interiors, as well as an introduction to the principles and techniques of architectural drafting. Through a series of design problems students will engage with basic space planning concepts and vocabulary as well as CAD drawing skills and conventions.

INTD 123.  Survey of Western Architecture and Interiors.  3 Units
Term Typically Offered: Fall only

Survey of European and American buildings, interiors, furniture and decorative arts from the stone age through the twentieth century. We will look at individual works as representative of trends in design history and as reflections of broad cultural forces: economic, political, etc.

INTD 124A.  American Design.  3 Units
Term Typically Offered: Fall, Spring

Survey of high-style and vernacular buildings, interiors, and decorative arts from the 17th century to the beginning of World War I. Analyzes European, Asian, Hispanic/Latino/Chicano and other background sources of inspiration and influence. Lecture-discussion.

INTD 124D.  Principles of House Design.  3 Units
Term Typically Offered: Fall, Spring

Introduction to some of the major architectural movements of the 20th Century; discussion of environmental concerns as they relate to house design; study of basic principles in planning a house. Lecture, discussion, field trip.
Field trip(s) may be required.

INTD 124E.  Film/Design.  3 Units
Term Typically Offered: Fall, Spring

Students will explore design approaches that give films a feeling of suspense, create a sense of place, or establish a period in time. This course will increase student awareness of space in filmmaking, and demonstrate that spatial organization plays a key role in the aesthetic success of a motion picture.

INTD 124F.  Avant Garde Cinema.  3 Units
Prerequisite(s): ENGL 97 or PHOT 102.
Term Typically Offered: Spring only

Survey of experimental film from the beginning of the cinema in the 1890s through today’s avant garde. Emphasis filmmaking as a means of personal, artistic expression, and will pay particular attention to those aspects of cinema that are typically ignored or marginalized in mainstream Hollywood movies. Films studied include those by: Melies, Porter, Richter, Leger, Cornell, Deren, Brackhage, Jacobs and Gehr. Cross listed: FILM 124F.

INTD 125.  Urban Design and Society.  3 Units
General Education Area/Graduation Requirement: GE AREA D
Term Typically Offered: Fall, Spring

A history of urban design from Ancient Greece through today. The course will look at the conceptualizing, planning and development of cities through two distinct lenses: one focusing on visual and physical qualities, the other on how urban planning has been used to promote social/economic policy, political ideologies and institutions. Lecture, discussion. 3 units . GE Area D.
INTD 151. Interior Architecture Graphics I. 3 Units

Prerequisite(s): Grade "C" or better in each of the following courses:
INTD 15, INTD 20, INTD 25, INTD 27, INTD 30, GPHD 20, GPHD 25,
PHOT 11, PHOT 20, DSGN 4 AND average G.P.A. 3.0 or better in the
following classes: INTD 25, INTD 27, INTD 30
Corequisite(s): INTD 153 and either INTD 155 or INTD 165
Term Typically Offered: Fall, Spring

Emphasis will be on developing perspective and rendering capabilities,
as well as on developing techniques for the execution of furniture, fabric,
and color boards. Studio activity six hours.

INTD 153. Interior Design Studio I. 3 Units

Prerequisite(s): Grade "C" or better in each of the following courses:
INTD 25, INTD 30, GPHD 10, GPHD 25, PHOT 11
Corequisite(s): INTD 151 and either INTD 155 or INTD 165
Term Typically Offered: Fall only

Introductory studio course with emphasis on understanding
functional and formal elements of architectural interiors. Students will
communicate designs through two- and three dimensional drawings and
models. Studio activity six hours.

INTD 155. Professional Practice I. 3 Units

Prerequisite(s): INTD 15 and INTD 30.
Term Typically Offered: Fall only

Study of the concepts and the analysis of technical and aesthetic
applications of lighting design in both residential and commercial
interiors. Lecture, discussion, field trips.
Field trip(s) may be required.

INTD 161. Interior Design Graphics II. 3 Units

Prerequisite(s): Grade "C" or better in each of the following courses:
INTD 151, INTD 153 and either INTD 155 or INTD 165.
Corequisite(s): INTD 163 and either INTD 155 or INTD 165.
Term Typically Offered: Fall, Spring

Continuation of the principles and techniques used in INTD 30. Students
will be introduced to the different presentation types that are utilized
including CAD as a 2D rendering and presentation tool. Emphasis will be
on file setup, composition and layout of projects within the schematic
design, design development, and construction document phases of
design. Assignments will demonstrate typical design applications
commonly used in the interior design/architecture professions including
systems furniture planning and tenant improvement. Studio activity six hours.

INTD 163. Interior Architecture Studio II. 5 Units

Prerequisite(s): INTD 151, INTD 153 and either INTD 155 or INTD 165.
Corequisite(s): INTD 161 and either INTD 155 or INTD 165.
Fee course.
Term Typically Offered: Fall, Spring

Prerequisite: An intermediate studio course where students continue
to develop their understanding of functional and formal elements of
architectural interiors. Students will communicate designs through two-
and three-dimensional drawings and models. Studio activity six hours.

Note: $22 for printing and miscellaneous materials

Fee course.

INTD 165. Professional Practice II. 3 Units

Prerequisite(s): INTD 15 and INTD 30.
Term Typically Offered: Spring only

Development of selection criteria for interior finishes based on material
properties, cost and availability. An introduction to non-structural interior
construction including wood and light gauge steel systems will be studied.
Additional topics will include MEP systems, ceiling systems, and
casework. Lecture/field trips.
Field trip(s) may be required.

INTD 171. Interior Design Graphics III. 3 Units

Prerequisite(s): Grade "C" or better in each of the following courses:
INTD 161, INTD 163 and INTD 165.
Corequisite(s): INTD 173 and either INTD 175 or INTD 195.
Term Typically Offered: Fall, Spring

Continuation of the principles and techniques used in INTD 30 and
INTD 161. Students will become familiar with the basic vocabulary and
concepts of three-dimensional modeling. Students will be introduced
to three different modeling techniques - wireframe, surface and solid.
Emphasis will be on the construction of 3D CAD models as a means
for quickly generating design alternatives. Topics include 3D modeling
concepts and techniques, the behavior of materials with light, material
characteristics and textures, and computer rendering output methods.
Studio activity six hours.

INTD 173. Interior Architecture Studio III. 5 Units

Prerequisite(s): INTD 161, INTD 163 and INTD 165.
Corequisite(s): INTD 171 and either INTD 175 or INTD 195. Fee course.
Term Typically Offered: Fall, Spring

Advanced studio course where students continue to develop their
understanding of functional and formal elements of architectural
interiors. Students will communicate designs through two- and three-
dimensional drawings and models. Studio activity six hours.

Note: $50.00 for three-dimensional printing of physical models and misc.

Fee course.

INTD 175. Professional Practice III. 3 Units

Prerequisite(s): Grade "C" or better in each of the following courses:
INTD 161, INTD 163 and INTD 165.
Term Typically Offered: Fall only

Study of the professional role of the interior designer in relation to
that of the client, contractor and consultants. Legal and ethical issues
are explored. Building codes, life-safety codes and ADA requirements
are studied with emphasis on permit and plan-check requirements.
Preparation for the NCIDQ exam and certification procedures are covered.

INTD 181. Interior Design Graphics IV. 3 Units

Prerequisite(s): Grade "C" or better in each of the following courses:
INTD 171, INTD 173 and either INTD 175 or INTD 195.
Corequisite(s): INTD 183 and either INTD 175 or INTD 195.
Term Typically Offered: Fall, Spring

Interdisciplinary approach to prepare students for professional practice
in the field of Interior Design. Student will be expected to complete a
comprehensive portfolio of work.
INTD 183. Interior Architecture Studio IV. 5 Units
Prerequisite(s): INTD 171, INTD 173 and either INTD 175 or INTD 195.
Corequisite(s): INTD 181 and either INTD 175 or INTD 195. Fee course,
Term Typically Offered: Fall, Spring

Thesis studio in which students research and develop individual design projects. Students will draw upon knowledge and skills from previous coursework to create solutions to complex design problems. Projects are completed with assistance from instructor, client and working professionals. Students are required to submit a design proposal for instructor approval in the Fall. Studio activity six hours.

Note: $22 for printing and miscellaneous materials

INTD 195. Professional Practice IV-Internship. 3 Units
Prerequisite(s): Grade "C" or better in each of the following courses:
INTD 161, INTD 163, INTD 165.
Term Typically Offered: Fall, Spring

Direct work experience in approved architecture, design, corporate, private or government office. Supervision is provided by both the instructional staff and the cooperating agency.
Credit/No Credit

INTD 196. INTD 196- Professional Preparation. 3 Units
Prerequisite(s): Grade "C" or better in INTD 161, INTD 163.
Term Typically Offered: Fall, Spring

Resume, and self-marketing tools. Required guest lectures, professional networking, and career guidance events with written and verbal self-reflection activities. Open to Interior Architecture majors only.

INTD 199. Special Problems. 1 - 3 Units
Term Typically Offered: Fall, Spring

Individual projects or directed reading.

Note: Departmental petition required.
Credit/No Credit

INTD 295. Field Study. 1 - 3 Units
Prerequisite(s): Undergraduate major or minor in Interior Design, individual arrangement with instructor.
Term Typically Offered: Fall, Spring

Guided study, observation or work experience in an area in which the graduate student needs advanced and specialized study.
Credit/No Credit
