# FEES AND REFUNDS

## Tuition & Registration Fees

The CSU makes every effort to keep student costs to a minimum. Tuition Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU reserves the right, even after tuition or fees are initially made, to increase or modify any listed tuition or fees. All listed fees, other than mandatory systemwide tuition, are subject to change without notice, until the date when instruction for a particular semester has begun. All CSU listed tuition fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the chancellor, or presidents, as appropriate. Changes in mandatory systemwide tuition will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

All students are required to pay tuition and registration fees. Additionally, nonresident, foreign-visa and graduate professional business students are required to pay per unit tuition and/or fees. Fees for auditing courses are the same as for those receiving credit for a course. Extensions and/or winter session students, resident or otherwise, pay tuition fees appropriate to the course administered through the College of Continuing Education.

Fees are payable based on the term registration date. Payments may be made by check, cash, money order, Visa, American Express, MasterCard, or Discover credit cards.

*Please note that credit cards/debit card payments must be paid online and will incur a 2.75% convenience fee.

These rates are subject to change.

Installment Payment Plans

1. Tuition Fees Installment Payment Plan
   • The tuition fees installment plan allows tuition fees and mandatory campus fees to be paid in four installments. The down payment is due on your original due date and represents the campus fees (Instructional Related Activities, Associated Students Inc. Programs, Intercollegiate Athletics/Spirit Leaders, Recreational Sports, Transportation, Health Facilities, University Union/WELL, Student Health and Counseling Services, and Hornet Newspaper Fee) and a one-time $33.00 non-refundable finance charge.
   • The balance of tuition fees are due in three installments – September, October, and November in the Fall; and February, March, and April in the Spring.
   • You may not use the IPP if you have a fee waiver or a third-party sponsor. However, you may request a payment plan for the balance of your fees from the Bursar’s Office.
   • If you have registered late, you may owe as much as the first two payments to avoid being dropped from your classes.
   • Late installment payments will incur a fee of $15 each time you are late.
   • Missed payments (or rejected checks) may result in: being dropped from your classes, forfeiture of your down payment, a hold preventing your use of the Installment Payment Plans for all subsequent semesters, and a hold on your records.
   • If you are dropped from your classes, you may still be required to pay a pro-rated portion of your registration fees.
   • If you re-enroll in the same term you may be charged a $100 re-enrollment fee, a $25 late registration fee and a $15 late payment fee. Re-enrollment eligibility after the term begins may be subject to instructor approval, and require payment of tuition fees IN FULL with guaranteed funds (cash, cashier’s check or money order), prior to being added back into your courses.
   • Failure to pay may result in additional collection costs, including those associated with referral to a third-party collection agency.
   • Follow the 4-step process below to enroll in the Installment Payment Plan (or view the step-by-step tutorial here IPP Tutorial (http://www.csus.edu/sfsc/gallery/Album1/)):
     i. Log on to the Student Center through your MySacState at www.my.csus.edu (http://www.my.csus.edu).

Refund Regulations

Bursar’s Office
Lassen Hall 1003
(916) 278-6736

Refund of Tuition and Mandatory Registration Fees, Including Nonresident Tuition

Regulations governing the refund of tuition and mandatory fees, including nonresident tuition, for students enrolling at the California State University (CSU) are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those systemwide and campus fees that are required to be paid in order to enroll in state-supported academic programs at the CSU. Refunds of fees and tuition charges for self-support, special session and Professional and Continuing Education (PaCE) programs or courses at the CSU are governed by a separate policy established by the university, available at Bursar’s Office website (http://csus.edu/aba/bursars-office/fees_deadlines_refunds.html).

In order to receive a full refund of tuition and mandatory fees, including nonresident tuition, less an administrative charge established by the university, a student must cancel registration or drop all courses prior to the first day of instruction for the term. Information on procedures and deadlines for canceling registration and dropping classes is available at the Bursar’s Office website (http://csus.edu/aba/bursars-office/fees_deadlines_refunds.html).

For state-supported semesters, quarters and non-standard terms or courses of four weeks or more, a student who withdraws during the term in accordance with the university’s established procedures or drops all courses prior to the university-designated drop period will receive a refund of tuition and mandatory fees, including nonresident tuition, based on the portion of the term during which the student was enrolled. No student withdrawing after the 60 percent point in the term will be entitled to a refund of any mandatory fees or nonresident tuition.

A student who, within the university designated drop period and in accordance with university procedures, drops units resulting in a lower tuition and/or mandatory fee obligation shall be entitled to a refund of applicable tuition and mandatory fees less an administrative charge established by the university.

For state-supported non-standard terms or courses of less than four weeks, no refunds of tuition and mandatory fees, including nonresident tuition, will be made unless a student cancels registration or drops all classes, in accordance with the university’s established procedures and
Fees and Refunds

deadlines, prior to the first day of instruction for state-supported non-
standard terms or courses or prior to the first meeting for courses of less
than four weeks.

Students will also receive a refund of tuition and mandatory fees,
including nonresident tuition, under the following circumstances:

- The tuition and fees were assessed or collected in error;
- The course for which the tuition and fees were assessed or collected
  was canceled by the university;
- The university makes a delayed decision that the student was not
  eligible to enroll in the term for which tuition and mandatory fees
  were assessed and collected and the delayed decision was not due to
  incomplete or inaccurate information provided by the student; or
- The student was activated for compulsory military service.

Students who are not entitled to a refund as described above may
petition the university for a refund demonstrating exceptional
circumstances and the chief financial officer of the university or designee
may authorize a refund if they determine that the fees and tuition were
not earned by the university.

Information concerning any aspect of the refund of fees may be obtained
from:

Refunds

The Application Fee, Installment Fee, Reenrollment Fee, and Late
Registration Fee are NOT refundable.

Refunds will first be applied to any outstanding debt owed to the
University. Refunds of checks, echecks, or debit payment will be subject
to a waiting period of 10 business days. International payments will
be subject to a waiting period of 20 business days. Students who
OFFICIALLY withdraw or drop units within the published deadlines do not
need to complete an Application for Refund for resident and non-resident
fees as refunds will automatically be issued.

Students who believe they have extenuating circumstances that warrant
a refund after the published deadlines must submit a Refund Application
with a complete explanation of the circumstances and any supporting
documentation to the Bursar’s Office.

Withdrawal from all classes

Students who officially withdraw from the University prior to the first
day of instruction will receive a 100% refund of Graduate Business
Professional fees, tuition fees, campus fees, and non-resident tuition
(minus a $10 processing fee). After this date students are eligible
to receive a pro-rated refund only if withdrawing from all classes. If
registration fees have not been paid in full at the time of withdrawal, the
balance due will be pro-rated.

Beginning with the first day of instruction through the 60% date of the
semester, refunds will be on a pro-rata basis using the official withdrawal
date. Students are not eligible to receive a refund for withdrawing after
the 60% date. The pro-rata refund will be calculated by the number
of CALENDAR days from the first day of the semester to the date of
withdrawal, regardless of when a student enrolled or when the course
began.

To officially withdraw you must complete and file a Withdrawal form
https://www.csus.edu/student-affairs/centers-programs/student-
services-center/forms.html

Drop in Units

Students who drop from full to half time by the end of the second week
of the semester are eligible to receive a 100% refund of the difference
in tuition fees, minus a $10 processing fee. Non-resident students who
drop units by the end of the second week of the semester are eligible
to receive a 100% refund of the difference of non-resident tuition minus a
$10.00 processing fee. Resident and Non-resident students who drop
from full to half-time after these dates are not eligible to receive a refund.
It is the student’s responsibility to become familiar with policies and
procedures concerning add/drop and refund deadlines.

Resident students who drop units from full-time to half-time and non-
resident students who drop units by the campus add/drop deadline will
receive a refund of the difference in tuition fees and/or applicable non-
resident tuition. Please note that the processing of drop-in-unit refunds
will not begin until after the first two weeks of the term. If you received
financial aid (including loans), your refund will not be considered until
after the first four weeks of the term.

Non-Credit/CEU Refund

Extension course tuition refund applications must be submitted to the
University’s College of Continuing Education prior to the first meeting
of the class for a full refund, less a $10 processing fee. If a student
withdraws on or after the first class session, the following applies:

Refund applications must be submitted to the University’s College of
Continuing Education prior to the first meeting of the class for a full
refund. If a student withdraws on or after the first class session, the
following applies:

Obtaining approval to drop a class does not grant you an automatic
refund of course fees.

Refunds are still issued per your program’s refund policy. Generally,
refunds are allowed according to the following timeline:

- If you drop before the class starts, you will get a full refund minus a
  $10 processing fee.
- If you drop any time within the first 25% of the course, including the
  first day of class, you will get a 65% refund minus a $10 processing
  fee. If you have not paid for your course yet, you will still owe the
  other 35% of your tuition. This fee will remain due on your account.
- If you drop after the first 25% of the class has elapsed, you will not
  receive a refund. If you have not paid for your course, all fees will
  remain due on your account.
If you dropped after the full or partial refund deadline and would like to request a refund, please contact your program coordinator.

Not attending or not logging into your class does not remove your responsibility to pay your course fees if you are still officially enrolled.

**Financial Aid Refunds/Return of Title IV**

Student Service Center  
1000 Lassen Hall  
(916) 278-1000

A student who receives aid and withdraws, drops units, is expelled, etc., during or after the first day of enrollment will be reviewed in accordance with the Federal Return of Title IV Funds Policy. Federal regulations require the Financial Aid & Scholarships Office to calculate a Return of Title IV Funds for students who withdraw during the semester. The policy applies to students who cease enrollment in all classes, on or after the first day of the semester. The institution is required to determine the earned and unearned portions of Title IV aid as of the date the student ceased attendance based on the amount of time the student spent in attendance. Any aid received in excess of the earned amount is considered unearned. The unearned amount is then returned to the federal aid programs it was disbursed from in the order determined by the U.S. Department of Education. The earned portion is calculated on a daily basis using calendar days from the first day of instruction.

Additionally, any State grant funds received may be subject to the same earned and unearned calculation

Students are required to “officially” withdraw from the University. Students needing to withdraw, begin the process by filling out the University Withdrawal form https://www.csus.edu/student-affairs/centers-programs/student-services-center/forms.html (https://)

A repayment situation may occur when a student receives aid and ceases attendance. The Federal Formula will determine if the disbursement was greater than the student’s expenses up to the withdrawal date. The student must repay any excess amount.

**Fees and Debts Owed to the Institution**

Should a student or former student fail to pay a fee or a debt owed to the institution, including tuition and student charges, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of charges and fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student charges and fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

The institution may not withhold an official transcript of grades by the institution from anyone owing fees or another debt to the institution (see Title 1.6C.7 (commencing with Section 1788.90) Part 4 of Division 3 of the Civil Code). The institution can still charge a fee for the issuance of the transcript pursuant to their published transcript processing fees.

If a person believes they do not owe all or part of an asserted unpaid obligation, that person may contact:

Elena Larson, Bursar  
Bursar’s Office, 6000 J Street  
Lassen Hall 1003  
Sacramento, CA 95819  
Phone (916) 278-6736

The Bursar’s Office, or another office on campus to which the Bursar’s Office may refer the person, will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

**Cancellation of Registration, Dropping Units or Withdrawal from the Institution**

Students who find it necessary to cancel their registration or to withdraw from all classes after enrolling for any academic term are required to follow the University’s official withdrawal procedures. Failure to follow formal University procedures may result in an obligation to pay fees as well as the assignment of failing grades in all courses and the need
to apply for readmission before being permitted to enroll in another academic term. Information on canceling registration and withdrawal procedures is available from the Office of the Registrar at (916) 278-8088.

Students who receive financial aid funds must consult with the Financial Aid Office prior to withdrawing from the university regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. Students who have received financial aid and withdraw from the institution during the academic term or payment period may need to return or repay some or all of the funds received, which may result in a debt owed to the institution.
