

MINOR IN CHEMISTRY

Units required for Minor: 24

Program Description

Chemistry is the area of science in which the composition, structure, properties, and reactions of substances are studied.

Minimum Grade Requirement

A minimum grade of "C-" is required in all courses applied to the Chemistry minor.

Program Requirements

In consultation with an advisor, choose 24 units of chemistry coursework, 6 units must be upper division courses in chemistry.

Note: A course in quantitative analytical chemistry and a lower division organic laboratory course must be completed as part of the minor.
