

BS IN GERONTOLOGY

Units required for Major: 48

Total units required for BS: 120

Program Description

The Gerontology Program provides an applied interdisciplinary approach to studying the human aging process and the challenges encountered by older adults and their families as they interact in contemporary society. The curriculum is anchored in life course and humanistic theory, and concentrates on the needs of both healthy and chronically ill elders and their families.

Minimum Grade Requirement

Students must receive a "C" or better in all major and multidisciplinary core/elective courses.
