Work Sector Field Experience (1-15 Units)

Complete at least 50 hours of field experience in the same work sector in which you took coursework. There are three options for satisfying the field experience requirement

- Service learning course(s) where the service is related to your chosen work sector (must be pre-approved by the program advisor)
- (1-6) ID 195 Field Experience (must be related to your chosen work sector, pre-approved by the program advisor, and supervised by the faculty)
- An approved internship course in your chosen work sector listed below

Options may be combined if necessary to achieve the required number of hours of field experience. The Student Handbook lists possible field experience sites.
